

We would like to take this time to welcome you to the Fremantle Masters Swimming Club. Our goal is to provide the opportunity for people of all swimming abilities the opportunity to join and swim with an organization that takes great pleasure in the sport of swimming, the continued development of Masters Swimmers and the support of their personal goals through swimming.

Please accept our invitation to swim.

We are one of 31 swimming clubs of Masters Swimming WA . Our club was founded in 1993 and we have presently 97 members who enjoy “Fitness, Friendship and Fun” through swimming and social activities.
